

...it's a milestone again as JKF unveils the **Access Encyclopaedia Revision for Standard 7**

Access Encyclopaedia Revision for Standard Seven is your one-stop guide to KCPE. It provides you with enough exposure to actual examination-type questions, which are essential a year to the main one.

The Encyclopaedia's outstanding features are:

- It covers all the syllabus concepts and skills for the level;
- It contains concise revision notes that aid understanding;
- It contains full colour illustrations for emphasis and to act as visual aids to understanding;
- It has relevant worked-out exercises wherever necessary;
- It contains ample exercises and model test papers for all subjects.
- It is built on the strengths of our trademark titles like *Primary Mathematics*, *New Primary English*, *One in Christ*.
